

● For nearly a quarter century artists from our Dress Arts courses have illustrated and designed for the great stores and shops of New York, Pittsburgh, Chicago, Cleveland, Detroit, Hollywood, etc. They won the grand prizes in the three national competitions sponsored by the Chicago Tribune and the Hearst Newspapers amounting to \$3000. Two of the these prize winners were still students in school! Art Institute students earn many hundreds of dollars WHILE STUDYING - some more than their tuition fees - through work secured by our free Placement Department.

● Full details of these splendid one year courses in Fashion Illustration, and Dress Design, as well as Interior Decoration, Commercial Art and other courses, are contained in our FACTBOOK, mailed on request.
